

Plot 14, Abia Crescent, Lekki Phase 2

Lagos, Lagos State, Nigeria · 6.4281° N, 3.5852° E

Residential land · 600 sqm · C-of-O title · Submitted 12 Apr 2025

Caution advised

This property has clear registry records and an authentic title, but an active court injunction and an unresolved co-ownership issue present material transactional risk. Do not pay any consideration until these are fully resolved.

Registry search ✓ Clear	Title document ✓ Valid	Ownership ■ Ambiguity
Physical inspection ✓ Passed	Boundaries ■ Minor gap	Encumbrances ✗ Found

✗ Active court injunction — Suit No. LD/5603/2022

A Lagos High Court order restricts alienation of this parcel pending resolution of a family estate dispute among the original grantor's heirs. Any sale executed during this period may be voided at law. This is a material risk to any transaction.

■ Co-ownership not fully resolved

The C-of-O lists two joint holders: Chukwuemeka Okafor and Adeyemi Balogun. Balogun was unreachable during the verification window. A transfer without consent of all registered holders is invalid under Nigerian property law.

PHYSICAL INSPECTION

✓ Site access confirmed

Property was physically accessible. No illegal structures, squatters, or occupation disputes observed.

✓ Plot condition: good

Terrain is flat and cleared. No visible flooding evidence. Perimeter road has drainage infrastructure.

✓ Infrastructure access

Road frontage confirmed. Electricity poles on adjoining plots. Borehole water available on neighbouring properties.

■ Eastern boundary marker displaced

A marker on the eastern side appears to have been moved. Neighbouring Plot 15 owner verbally disputed the boundary during site visit. A fresh survey is recommended.

LEGAL & TITLE REVIEW

✓ Certificate of Occupancy confirmed authentic

C-of-O No. LG/CAD/2008/003847 verified with the Lagos State Land Bureau. Title is active and unrevoked.

✗ Court injunction — Suit No. LD/5603/2022

Lagos High Court order restricts alienation pending resolution of an estate dispute. Any sale during this period may be voided at law.

■ Co-owner consent unresolved

C-of-O lists two joint holders. One holder (Balogun) was unreachable within the SLA window. Nigerian law requires consent from all title holders for a valid transfer.

✓ No government acquisition or revocation

No revocation or acquisition notice found in the Lagos State Official Gazette as at the verification date.

✓ No registered mortgage or charge

Lands Registry search returned no registered mortgage, charge, or lien against this title.

SURVEY & BOUNDARY CONFIRMATION

✓ Survey plan authenticated

Plan No. LA/08/2008/1047 confirmed with the Office of the Surveyor General of Lagos State.

✓ 3 of 4 beacon markers confirmed intact

Northern, western, and southern beacons verified at expected coordinates. Eastern beacon in dispute.

■ Eastern boundary discrepancy: approximately 0.8 m

GPS places the eastern boundary approximately 0.8 m inside the plan boundary. Likely beacon displacement. A fresh survey with re-planting is recommended before purchase.

✓ Not in flood zone or government setback

Property is not within any government setback, road expansion zone, or flood-prone area per Lagos State data.

RECOMMENDED ACTIONS BEFORE ANY PURCHASE

1. Obtain a certified copy of Suit No. LD/5603/2022 and confirm the injunction's current status with an independent Nigerian solicitor before proceeding with any transaction.
2. Locate Adeyemi Balogun or apply to court for an order dispensing with consent before executing any transfer instrument.
3. Commission a fresh survey to resolve the 0.8 m eastern boundary discrepancy and have the displaced beacon officially re-planted by a registered surveyor.
4. Pay no purchase consideration until all three items above are fully resolved and documented in writing.
